## Insurance for Your Construction Business

LaPorte understands the challenges facing the construction industry. In today's environment, contractors need more than a truck and a tool box to acquire business. You need the proper insurance, bond and safety risk management programs. Understanding what you are covered for is just as important as knowing what your insurance may not cover. LaPorte's team of professionals are focused on developing and customizing innovative risk and safety management programs to keep your employees safe and to also minimize the risks your business faces.

#### CONSTRUCTION TEAM

In our fast-paced world things can get overlooked. Our experienced staff understands this and is ready to respond quickly and efficiently. It is important when you bid a job that you have the proper insurance in force. Our knowledgeable staff will address your needs promptly, and make sure you have the proper coverage requirements in place.

#### ACCESS TO THE RIGHT CARRIERS

Stringent insurance requirements can keep you from bidding a job. LaPorte offers broad access to both regional and national carriers. We have the right markets who will offer the coverages to meet your unique construction needs.

#### EXPERTISE & EXPERIENCE

From understanding the risk your business faces to the challenges and complexity the industry presents, our team of experts can provide insurance and risk management programs that are specifically designed for the construction industry. Let our team of LaPorte professionals provide the information you need to make solid business decisions.

#### NATIONAL PRESENCE

At LaPorte we participate in construction associations both on a local and national basis. This exposure keeps us informed on the national trends and the regional issues our contracting clientele may experience.

#### CLAIMS SERVICE

Experiencing a claim can be stressful, and the best way to minimize that is through communication. Our in-house claims administrator will provide quick and efficient assistance that will keep you informed throughout the entire claims process.
