

## Insurance for Your Manufacturing and Distribution Business

### DEDICATED MANUFACTURING AND DISTRIBUTION TEAM

From the assembly line to the bottom line, LaPorte's manufacturing insurance specialists can help ensure that your assets are protected. We focus on risk management, insurance placement, loss control, and claim management for the manufacturing and distribution or wholesale industries. Our team understands the trends impacting manufacturers, and offers solutions to help you navigate complex insurance needs and to mitigate loss.

### ACCESS TO THE RIGHT CARRIERS

LaPorte has access to the right markets who offer coverage to meet your specific needs. We represent nationally recognized carriers that have the capacity to handle complex risks which allows us to market your company directly to the right carriers to meet your unique coverage needs.

### EXPERTISE & EXPERIENCE

From understanding the risk your business faces to the challenges and complexity the industry presents, our team of professionals can provide insurance and risk management programs that are specifically designed for manufacturing and distribution businesses. Let our team provide the information you need to make informed business decisions.

### NATIONAL PRESENCE

Our involvement with national trade associations, and representing national insurance carriers, provides us with a perspective on industry trends. Our participation with the local associations along with our regional insurance markets also keep us informed of the challenges facing the clients we partner with.

### CLAIMS SERVICE

Experiencing a claim can be stressful, and the best way to minimize that is through communication. Our dedicated claims administrator will provide quick and efficient assistance that will keep you informed throughout the entire claims process.
