

Insurance for Real Estate Professionals

At LaPorte, we believe in delivering more than you expect, more professional service, more dynamic approaches, and more risk management solutions. We will demonstrate how we can improve not only your insurance, but your business.

ACCESS TO THE RIGHT CARRIERS

LaPorte has access to many insurance options for Real Estate E&O Insurance. Unlike other agents who are limited to one carrier for their specific program or use a wholesaler to access carriers, LaPorte can market your company directly to the right carriers to meet your unique coverage needs.

EXPERTISE & EXPERIENCE

From understanding the differences between insurance carriers and providing coverage comparisons, to knowing what coverage enhancements your business needs, LaPorte professionals will guide you and give you the right information to make informed business decisions.

DEDICATED REAL ESTATE TEAM

Each LaPorte client works with a Client Manager who is the single point of contact to access your team. With the diverse needs of Real Estate companies, it is our job to bring the specific expertise to meet your needs.

NATIONAL PRESENCE

Our national experience provides us with a perspective on industry trends, coverage improvements, carrier performance, and claims scenarios that can truly impact your business.
