

Insurance for Your Healthcare Business

In today's environment, healthcare companies need a partner who understands the challenges of the industry. LaPorte Insurance Health Pro provides practical and quality coverage solutions for both not-for-profit and for-profit organizations. We will assess and minimize your risks and develop an innovative insurance program that will meet your business needs.

ACCESS TO THE RIGHT CARRIERS

LaPorte has access to the right markets who offer coverage to meet your specific needs. We represent nationally recognized carriers that have the capacity to handle complex risks which allows us to market your company directly to the right carriers to meet your unique coverage needs.

EXPERTISE & EXPERIENCE

From understanding the risk your business faces, to the challenges and the complexity the industry presents, we have a dedicated team of experts who provide insurance and risk management programs that are specifically designed for the health care industry. We work with you to deliver creative solutions to optimize your insurance program.

NATIONAL/REGIONAL PRESENCE

At LaPorte we participate in several associations both on a local and a national basis. This exposure keeps us informed on the national trends and the regional issues that affect our clients.

CLAIMS

Experiencing a claim can be stressful, and the best way to minimize this is through communication. Our in house claims administrator provides assistance quickly and efficiently, and will keep you informed throughout the entire process.
