

Insurance for Your Hospitality Business

At LaPorte, we believe in delivering more than you expect. We bring a perspective that is unmatched in the industry with our insurance knowledge and expertise. Don't settle for a generic business insurance product. Let LaPorte design a cost-effective policy that is designed specifically to minimize the risks associated with your specialized business.

DEDICATED HOSPITALITY TEAM

Each LaPorte client works with a Client Manager who is the single point of contact to access your team. With the diverse needs of hospitality businesses, it is our job to bring the specific expertise to meet your needs.

ACCESS TO THE RIGHT CARRIERS

LaPorte has access to many insurance carriers on a national and regional basis. Unlike many other agents who have just one carrier for their specific program or use a wholesaler to access carriers, LaPorte can market your company directly to the right carriers to meet your unique coverage needs.

EXPERTISE & EXPERIENCE

In addition to insurance placement, LaPorte will review and assist with the formation and implementation of various safety and risk management programs.

NATIONAL PRESENCE

At LaPorte we participate in trade associations both on a local and national basis. This exposure keeps us informed on the national trends and the regional issues our contracting clientele may experience.

CLAIMS SERVICE

Experiencing a claim can be stressful, and the best way to minimize that is through communication. Our in-house claims administrator will provide quick and efficient assistance that will keep you informed throughout the entire claims process.
